

NTT DATA Global Services Open Toyohashi City Office as One of Global Delivery Center

TOKYO, Japan – August 1, 2021 - NTT DATA Global Services Corporation (NGS) announced of new Toyohashi City Office opening as a Global Delivery Center in Japan. This is an expansion to existing Japan delivery operations with Toyohashi Bay Office continuing its operation as it has been providing enterprise professional services since 2016. New Toyohashi City Office will set to contribute as part of NTT DATA Global Delivery Center as well as taking near-shore center function to provide highest quality with competitive pricing.

NTT DATA Global Services continue to strengthen delivery function in Japan in order to provide full stack services from Application towards Infrastructure, with global delivery support. Our delivery center continue to strengthen its offering, resources development and quality enhancement as it will be integrated with other Global Delivery Center, contributing to the global demand and fulfillment from Japan to Global.
