

## NTT DATA Global Services has its TISAX assessment result on the ENX Portal

TOKYO, Japan – January 9, 2023 – NTT DATA Global Services Corporation (NGS) has completed the TISAX assessment, and the assessment result is available on the ENX Portal.

Mr. Nao Yoshida, President and CEO, said “the confidentiality, availability and integrity of information have great importance to NGS and its customers, and NGS has taken extensive measures on protection of confidential information.”

As a part of the information security activities, NGS is a TISAX participant and follows the question catalogue of information security of the German Association of the Automotive Industry (VDA ISA). The TISAX assessment result is exclusively retrievable over the ENX Portal (<https://enx.com/tisax>).

- Scope-ID : STYZR2
- Assessment-ID: AT898K-1

The ENX Association supports with TISAX (Trusted Information Security Assessment Exchange) on behalf of VDA the common acceptance of Information Security Assessments in the automotive industry. The TISAX assessments are conducted by accredited audit providers that demonstrate their qualification at regular intervals. TISAX and TISAX results are not intended for general public.

NGS will continue to improve the information security and will expand its business in the global automotive industry.
